

It seems that summer is in full swing. We have had almost mid summer like weather starting as early as May. It has been great! The campers are all washed, serviced and in some cases waxed. The Tarheel Travelers have a couple of campouts under our belt and we are looking forward to the next one. We received a very nice letter from the Durham Rescue Mission thanking us for the \$50.00 donation. We will continue to award a deserving charity \$50.00 at each campout.

The 2004 International Rally is fast approaching with a start date of June 30. My work schedule this year will keep Teresa and myself from attending, However, if you have not made one of the International Rallies, I highly recommend it. It is a great opportunity to

meet fellow Sunnybrookers and swap camping tales (some are pretty tall though). Not only is there excellent entertainment and delicious food but you also get to meet many of the people that possibly made your RV. It is really a super event! The dates are June 30 through July 5 and will be in DuQuoin, Illinois. The rendezvous point is the state fairgrounds in DuQuoin.

Our last campout at Twin Lakes RV Resort and Marina in Chocowinity, NC was great. Twin Lakes Camping

Resort is conveniently located in the heart of friendly coastal NC. It is nestled on a beautiful peninsula between the Pamlico River and the Chocowinity Bay. Making this trip to eastern NC was Mark & Bessie Harrison, Gary & Linda Cashe, Buddy & Jenny Rich Emery & Teresa Moren, Jim & Maureen Barnwell and George & Martha McConnell. We had a fun filled evening that started with a delicious meal and ended with the humor of Jeff Foxworthy on the big screen TV. Check out our web site at www.tarheeltravelers.com to learn more about our featured campground – Twin Lakes.

Do we look relaxed or what! Nothing is more enjoyable than the friendship that is shared when camping. I think we solve a few major world problems this evening. We will take most of the summer off as no official campouts are planned until September. This is a good time to enjoy the International Rally or other Sunnybrook chapter events. I would certainly recommend stopping by and saying hello to the Chapter 17 - Sunny Volunteers in TN. Bob Nodine would welcome any of our group. Check out their camping schedule in the Sunnys in the “Where Are You”

section. Also other local chapters include Chapter 20, the Mid Atlantic Roadrunners from VA/Eastern NC and Ralph Weller from the Palmetto Sunny Travelers of SC.

September we will be at Cross Country Campground located at 1851 Highway 150 E, Denver, NC. The campground is located near Lake Norman. The dates for the campout are September 17 through 19. They can be reached at 1-800-852-4840.

October 22 through 24 Myrtle Beach's Ocean Lakes Family Campground will be our host campground. We will be on the beach in the I- Section. Make your reservation as soon as possible.

Safe summer travel to all Sunnybrookers!!

Emery & Teresa Moren
